We are looking to appoint the following exceptional Phase Leaders to join our team:

- Post 1-EYFS/Key Stage 1 Phase leader
- Post 2-Key Stage 2 Phase Leader

Beaufort School is a Community day SEN primary setting for 87 children aged 3 – 11 years with severe and complex learning difficulties. We collaborate closely with our co-located partners Colebourne Primary School and our federated partner, Langley School, working together to achieve success for all. We are looking to appoint 2 enthusiastic Phase Leaders, with a passion and unconditional positive regard, for working with children who have complex learning needs. You will be calm, engaging, resilient, and have an innovative style of teaching, motivated by helping every child to reach their potential. We have a warm, mutually supportive and caring ethos with dedicated and skilled staff who are highly aspirational and committed to pupil welfare, progress and life-chances.

This is an exciting time, and offers an opportunity to provide the empathy, support and nurture that will directly impact the future of the lives of the most significantly challenged young people in the area. We need a teacher who can engage and challenge pupils with complex learning needs to develop a lifelong love of learning within them and create an environment where they can fulfil their potential.

As a Phase Leader, you will take the lead for your phase, ensuring delivery of an engaging and relevant curriculum for our unique and special pupils that maximises children’s achievement and their ability to develop in all areas of their lives.

If you have a proven track record of making a difference to the learning journey of young children with SEN, can deliver high quality teaching and have a natural enthusiasm for improving the lives of our pupils, then this could be the job for you.
